

Table of Contents

Chapter 1 – Computer Technology

Computer Hardware	3
Operating Systems and Environment.....	4
Programming Languages	6
Networks	7
Number Systems	9
Storing Data in Memory	10
What is a File?	11
Storage Devices.....	12
Intranet, Extranet, Internet	13
Telecommunications.....	13
Internet Services: Web, E-mail, and Mailing Lists	14
Finding Information on the Web and	16
Downloading Files.....	16
Internet Privacy Issues	17
Internet Acceptable Use Policy	18
The Social and Ethical Implications of Computer Use	19
Protecting Computer Software and Data	20
The Ethical Responsibilities of an ITProfessional.....	21
Chapter Summary	22
Vocabulary	24
Review Questions	28
Exercises	30

Chapter 2 – Introducing Visual Basic

Visual Basic Applications.....	35
The Visual Basic IDE.....	36
Creating a New Project	36
Review: Message – part 1 of 5	38
The Windows Form	38
The Label Control	39
Saving and Running an Application.....	40
Review: Message – part 2 of 5	41
The MenuStrip Control	42
Closing and Opening a Project and Quitting Visual Basic.....	43
Review: Message – part 3 of 5	44
Program Code.....	44
The Event Procedure.....	45
Using IntelliSense	46
Review: Message – part 4 of 5	47
Review: MyName	48
Assignment Statements.....	48
Review: Message – part 5 of 5	49
The RadioButton Control.....	51
Commenting Code.....	52
Review: HelloWorldInternational	52
Arithmetic Operators and Numeric Expressions.....	54
The Button Control	54
Review: Calculations.....	55
Code Conventions	56
Chapter Summary	57
Vocabulary	59
Visual Basic	60
Critical Thinking.....	61
Exercises	62

Chapter 3 – Variables and Constants

Declaring Variables.....	67
Using Variables.....	68
Review: SquareArea – part 1 of 3	68
Obtaining a Value from the User.....	69
Review: SquareArea – part 2 of 3	70
Review: RectangleArea.....	71
Built-In Data Types	71
Automatic Type Conversion	72
Review: TotalDistance.....	73
Variable Scope	73
Review: ScopeDemo.....	74
Special Division Operators.....	75
Review: SkyhookInternational	75
Using Named Constants	76
Identifiers and Keywords	76
Review: CircleArea – part 1 of 2.....	77
Programming Errors	77
Debugging an Application	78
Review: SquareArea – part 3 of 3	79
Case Study.....	80
Chapter Summary	83
Vocabulary	85
Visual Basic.....	86
Critical Thinking.....	87
Exercises	89

Chapter 4 – Controlling Program Flow with Decision Structures

The If...Then Statement.....	93
Review: TestGrade – part 1 of 5	94
The If...Then...Else Statement.....	94
Review: TestGrade – part 2 of 5	95
Review: CircleArea – part 2 of 2.....	95
Nested If...Then...Else Statements	95
The If...Then...ElseIf Statement	96
Review: TestGrade – part 3 of 5	96
The Select...Case Statement.....	96
Review: Hurricane	97
The Select...Case Is Statement.....	97
Review: TestGrade – part 4 of 5	98
Generating Random Numbers.....	98
Review: RandomNumbers	100
Algorithms.....	101
Static Variables.....	102
Review: GuessingGame – part 1 of 4	103

Compound Boolean Expressions.....	104
Review: RockPaperScissors – part 1 of 4.....	105
Review: RockPaperScissors – part 2 of 4.....	107
Review: RockPaperScissors – part 3 of 4.....	107
Displaying a Message Box	108
Review: GuessingGame – part 2 of 4.....	108
Review: TestGrade – part 5 of 5	108
Counter Variables.....	109
Review: RockPaperScissors – part 4 of 4.....	109
The CheckBox Control	110
The Line-Continuation Character	110
Review: MorningToDo.....	111
Case Study.....	112
Review: PizzaOrder.....	116
Chapter Summary	116
Vocabulary	118
Visual Basic	119
Critical Thinking.....	120
Exercises	122

Chapter 5 – Controlling Program Flow with Looping Structures

The Do...Loop Statement	129
Infinite Loops	130
Review: PrimeNumber	131
Using an Input Box	132
Accumulator Variables.....	133
Using Flags.....	134
Review: AverageScore.....	134
Review: UniqueRandomNumbers	136
The For...Next Statement	136
Review: Factorial.....	137
Review: OddNumbersSum	138
The String Class	138
Review: LetterCount	140
Review: StringTest	140
Review: FindString.....	141
String Concatenation	141
Review: FullName	142
The Char Structure	142
Unicode.....	143
Review: SecretMessageDecoder	144
Comparing Strings.....	144
Review: CompareWords	145
The Like Operator.....	145
Case Study.....	146
Review: WordGuess	149
Chapter Summary	150
Vocabulary	151
Visual Basic	152
Critical Thinking.....	153
Exercises	155

Chapter 6 – Procedures

Sub Procedures.....	161
The PictureBox Control.....	162
Review: Friends.....	163
Value Parameters.....	165
Procedure Documentation.....	166
Review: GuessingGame – part 3 of 4.....	167
Reference Parameters.....	168
Review: NumberBreakdown.....	169
Review: SortNumbers.....	171
Control Object Parameters.....	171
Review: GuessingGame – part 4 of 4.....	172
The Event Handler Procedure.....	172
The Tag Property.....	173
Review: ShellGame.....	174
Function Procedures.....	177
Review: LetterGrade.....	179
Case Study.....	180
Review: CalculatorII – part 1 of 2.....	187
Review: CalculatorII – part 2 of 2.....	187
Review: TestRndIntFunction.....	187
Chapter Summary.....	187
Vocabulary.....	189
Visual Basic.....	190
Critical Thinking.....	191
Exercises.....	193

Chapter 7 – Mathematical and Business Functions

The Math Class.....	203
The IsNumeric() Function.....	204
Review: MathematicalFunctions.....	204
The Round() Method.....	204
Review: RoundTheNumber.....	205
Formatting Numeric Output.....	205
Business Functions.....	205
Processing Business Data.....	207
Review: LoanPayment – part 1 of 3.....	208
Review: CreditCardLoan – part 1 of 2.....	210
Review: WatchYourMoneyGrow.....	210
The ListBox Control.....	210
Review: TuitionCalculator – part 1 of 3.....	212
The ComboBox Control.....	213
Review: TuitionCalculator – part 2 of 3.....	214
Review: LoanPayment – part 2 of 3.....	215
Windows Application Standards.....	216
Review: LoanPayment – part 3 of 3.....	217
Review: CreditCardLoan – part 2 of 2.....	218
Review: TuitionCalculator – part 3 of 3.....	218
Case Study.....	219

Trigonometric Methods.....	227
Review: TestDegreesToRadiansFunction.....	227
Review: TestRadiansToDegreesFunction.....	228
Review: TrigonometricFunctions.....	228
Review: SineCosineTable.....	228
Inverse Trigonometric Methods.....	229
Review: InverseTrigonometricFunctions.....	230
Logarithmic and Exponential Methods.....	230
Review: LogAndExpFunctions.....	231
Chapter Summary.....	231
Vocabulary.....	232
Visual Basic.....	232
Critical Thinking.....	233
Exercises.....	235

Chapter 8 – Arrays and Structures

Arrays.....	243
Using Arrays.....	244
Review: StudentNames.....	244
Array Parameters.....	245
Arrays with Meaningful Indexes.....	246
Review: DiceRolls.....	249
Review: NumberOccurrences.....	249
Searching an Array.....	250
Dynamic Arrays.....	250
Review: DynamicArrayDemo.....	253
Review: FindName.....	253
Two-Dimensional Arrays.....	253
Structures.....	257
Structure Arrays.....	258
Review: Customers.....	258
Enumerated Types.....	258
Review: Students.....	260
Case Study.....	260
Arrays of Objects.....	265
Review: CafeOrders.....	266
Chapter Summary.....	266
Vocabulary.....	268
Visual Basic.....	268
Critical Thinking.....	269
Exercises.....	271

Chapter 9 – Color, Sound, and Graphics

Using Color	279
Review: ChangeFormColor – part 1 of 2	280
The ColorDialog Control.....	280
Review: ChangeFormColor – part 2 of 2	281
Using Images	282
Review: ChangeImage	283
Making Sounds	283
Review: TestSounds.....	283
Playing Sound Files	284
Review: WakeUp.....	284
The Timer Control.....	286
Review: Blinky	287
Animation	287
Review: BouncingBall	288
The Graphics Class	290
Pen Styles.....	292
Review: DrawShapes	293
Drawing Solid Shapes	295
Review: Face	296
The Point Structure.....	296
Drawing Curves and Polygons	297
Review: Sailboat.....	298
Handling Mouse Events.....	299
Review: Tracker	299
Case Study.....	301
Review: ClickIt	305
Chapter Summary	306
Vocabulary	307
Visual Basic	307
Critical Thinking.....	308
Exercises	310

Chapter 10 – Creating Classes

Classes	317
Designing a Class.....	318
The Class Module	319
Review: AccountDemo – part 1 of 5.....	320
Encapsulation	321
Field, Data, and Property Members	322
Review: AccountDemo – part 2 of 5.....	323
Methods.....	325
Review: AccountDemo – part 3 of 5.....	326
Constructors	329
Review: AccountDemo – part 4 of 5.....	329
Overloading Methods	330
Review: AccountDemo – part 5 of 5.....	331
Extending a Class.....	332

Polymorphism	333
Reusing Code.....	334
Review: CommercialAcctDemo	335
Case Study.....	338
Review: TriangleCalculator.....	344
Chapter Summary	345
Vocabulary	347
Visual Basic	348
Critical Thinking.....	349
Exercises	351

Chapter 11 – Using Files

What is a File?.....	359
The FileInfo Class	359
Review: MyFile.....	360
The FileStream.....	361
The FileStream and StreamReader Classes.....	362
Advanced TextBox Features	364
Review: ReadFile – part 1 of 2.....	365
The OpenFileDialog Control	367
Review: ReadFile – part 2 of 2.....	368
The StreamWriter Class.....	369
The SaveFileDialog Control	370
Review: WriteFile – part 1 of 2.....	372
Review: WriteFile – part 2 of 2.....	373
Reading and Writing Data.....	373
Review: GradeCalculator.....	374
Case Study.....	377
Review: WordGuessII.....	381
Chapter Summary	382
Vocabulary	383
Visual Basic	383
Critical Thinking.....	384
Exercises	386

Chapter 12 – Sorting and Searching

Bubble Sort	393
The DateTime Structure	395
Review: BubbleSort – part 1 of 2.....	395
A More Efficient Bubble Sort.....	396
Review: BubbleSort – part 2 of 2.....	396
Selection Sort	396
Review: SelectionSort.....	398
Insertion Sort	399
Review: InsertionSort	401
Binary Search.....	402
Review: BinarySearch	405

Chapter Summary	405
Vocabulary	406
Visual Basic	406
Critical Thinking.....	407
Exercises	408

Chapter 13 – MDI Applications

MDI Applications.....	411
Creating an MDI Application.....	412
Using Child Forms.....	413
Review: TextEditor – part 1 of 5.....	414
Creating a Window Menu	416
Review: TextEditor – part 2 of 5.....	416
Advanced TextBox Methods.....	418
Review: TextEditor – part 3 of 5.....	418
Creating Dialog Boxes	420
Review: TextEditor – part 4 of 5.....	421
Creating a Help Menu	423
Review: TextEditor – part 5 of 5.....	424
Case Study.....	425
Review: Bingo.....	435
Chapter Summary	436
Vocabulary	437
Visual Basic	437
Critical Thinking.....	438
Exercises	440

Appendix A – Using Help

Help Features.....	443
How Do I?	444
Finding a Help Topic	445
Bookmarking Help Topics	447

Indexes

Index of Applications	449
Index	451
